Overview:

Standardisation has long been considered as critical for the Sukuk market's growth. Lately, implementation of Accounting and Auditing Organization for Islamic Financial Institutions (AAOIFI) standards by national regulators has the market taking notice and adapting.

- *What are the key elements of AAOIFI Standard 59?*
- *How is the Standard being implemented in critical jurisdictions?*
- *In what ways will obligors and investors adapt?*
- *What are the credit implications for Sukuk?*

The event is complimentary for GBSA members and official guests, though registration is required. Non-members may apply for a place by [clicking here](#).

This is a non-press event. The Chatham House rule will strictly apply.
